

SMARTWATER™

Precision Water Measurement System

Health Issue Indicator

Real-Time Data Tracking

Intake & Behavior Monitoring

Individual Animal Identification

Individual Animal Water Intake Measurement

Through RFID-enabled water stations, SmartWater automatically tracks individual animal water intake, measuring daily consumption patterns. This data provides critical insight into animal health and behavior, helping identify changes that impact performance and overall efficiency.

- Real-Time Alerts & Management
- Detects Early Health Changes
- Seamless, Not-Disruptive Tracking
- Automatic Data Capture

SmartWater Purchase Includes

Monitoring & Protocol Assistance

Product monitoring from C-Lock data specialist.

Software Updates

Includes updates to online software and customer portal capabilities.

Customer Portal Access

Access to real time raw and processed data via C-Lock's cloud-based customer portal.

Online User Interface

Each SmartWater can be controlled by our easy to use online interface.

Repairs

Product parts and repair are provided while equipment is on subscription.

Support

A support line to contact C-Lock for technical questions or to report problems.

Features

Plug & Play Design

Portable, wirelessly networked, and easy to set up—just plug in power and it's ready to use.

Minimal Infrastructure Changes

Easily installs into existing fence lines—no additional wiring, computers, or facilities needed.

Kick Plate

Protects load cells and weight systems from mud, manure, and debris for reliable accuracy.

Data Management/Connectivity

All raw and processed data is accessible in a secure archive with a simple online interface. Data is transmitted wirelessly with Wi-Fi or cellular network.

Cutting-Edge RFID Reader

Reliable in noisy RFID environments with configurable left, right, or dual tag readers.

Product Options

Solar Power

For remote applications, a solar power kit can be added to each unit. The kit includes one solar panel, frame, batteries, and a battery control box.

Ear Tags

All of our units read HDX - Half Duplex and FDX - Full Duplex tags. If your animals are not tagged appropriately, you may purchase tags at any time from C-Lock Inc.
